We have all
taken many steps through-
out our high school careers. Our
feet have carried us to classes,
clubs, games, dances, and other
activities. We invite you to
retrace your steps in mem-
ory as you read the pages
of this book, and
we hope that
your steps in
the future will
be well directed.

With fingers weary and worn
 With eyelids heavy and red
 We worked on this year's annual
 Till we felt like we'd all drop dead
 There were times we thought we couldn't
 But we finally got it done
 It took a lot of effort
 But we did have loads of fun!
